00:35:33 Mike Facherty: Since he first played Father Christmas almost 40 years ago, Mike (Henley Santa) has visited, and been visited by, thousands of children.

Many parents and grandparents claim that he is the real Santa but he isn't. He's just a very kindly older gentleman who wants to make wonderful memories for families when the real Santa Claus simply cannot be there. This probably more important in 2020 than ever be for.

Mike loves making up and telling stories as part of his home visits. Many parents and grandparents have suggested that he should make them into books. Well, now he has and they are available on Amazon as ebooks and paperbacks.

00:49:52 TMS Karina Kantas /Author Assist: Attention all authors and author service providers

On Friday, 28th July, at 10am PST, 1pm EST, and 6pm UK, there will be a fantastic event, called the Authors' Pitch Party. This FREE event is open to cover designers, editors, publishers, book promoters, reviewers, authors... anyone in the book and publishing industry. This event is a televised stage and will go live on social media. This is your chance to promote your work, book or service to thousands, even millions, of eyes as it will be streaming on RokuTV. Best- Selling author and founder of the eZWay network, Eric Zuley, and I have created this stage where you can promote not just to those in the event but to those watching live and streaming the show for months to come.

02:01:34 GC Santa Mike Facherty: Since he first played Father Christmas almost 40 years ago, Mike (Henley Santa) has visited, and been visited by, thousands of children. Many parents and grandparents claim that he is the real Santa but he isn't. He's just a very kindly older gentleman who wants to make wonderful memories for families when the real Santa Claus simply cannot be there. This probably more important in 2020 than ever be for. Mike loves making up and telling stories as part of his home visits. Many parents and grandparents have suggested that he should make them into books. Well, now he has and they are available on Amazon as ebooks and paperbacks.
