Sparkling Life Journeys

Luxurious culinary and wellness travel experiences for busy women (and their travel companions) who love food, wine, and living a vibrant, healthy life. In addition to planning vacations, I also arrange group travel for business owners, practitioners, and organization leaders who want to lead trips, cruises, or retreats for their tribe - their customers, clients, members, or teams - to make deeper connections, learn, and have fun together.

I'd love to connect with referral partners and potential JV partners to do projects together, livestream swaps, and podcast discussions.
