Your Guided Health Journey

I am an Integrative Health Practitioner, aka “your friendly toxin slayer”! I guide people in detoxing their physical, mental, emotional and spiritual bodies, to attain optimal health. I also use functional medicine lab testing mailed to your home to get to the root cause of your physical symptoms.

I am also a Trainer of NLP, Time Line Therapy® and Hypnotherapy and run trainings to designate others in these powerful tools. I love working with the tools of the unconscious mind, and they simply aren't taught at school, although I wish they were!

My podcast is called “Don't Wait For Your Wake Up Call!” offering simple steps in prioritizing your health.
