Judy M. Baker
Creator of The Buzzworthy Book Experience

Hi I'm Judy M. Baker, creator of the Buzzworthy Book Experience. I am a book marketing strategist and the results I get my clients are getting their books into the hands of the right people, they have customized book marketing blueprints, and strategies for making more money and creating a lasting legacy.

So if you know an author who is frustrated with how to get more value from a nonfiction book, needs to launch or relaunch a book, or says "I'm bad at marketing", I'd love a connection.

Helping nonfiction authors launch a new release or revive an existing title.
