Why is your SSI Score Important (for LinkedIn)

LinkedIn's Social Selling Index (SSI) is your key to business growth on the platform. It's the metric that LinkedIn puts in place to measure the activity of its 1 Billion users and shows your Industry SSI rank amongst them.

LinkedIn's Social Selling Index (SSI) is your key to business growth on the platform.

What is a SSI?

SSI, or Social Selling Index, rates your LinkedIn effectiveness from 1 to 100 based on these four factors:

Professional branding with well optimised profile

Finding the right connections and prospects

Engaging with insights and share relevant useful content

Building relationships
