My personal project for 2026 is Playing Music For Fun, where I help people explore music and get past personal beliefs like "I have no musical talent".

You were born musical, and a lifetime of joy awaits you at all levels.

See: <https://playingmusicforfun.com/>

I am looking for musical guests to share their journey on my video podcast.

Great to see everyone today! Thanks again Prashant! 🙌

01:29:34 Greg Dixon GC Host: The first thing I asked ChatGTP do was write some poems:

01:30:20 Greg Dixon GC Host: Golden donut rings,  
Maple glaze drips sweetly down,  
Morning treat divine.

In golden dawn, when morning paints the sky,  
A fragrance sweet awakens every sense,  
The humble treat that tempts the passerby,  
With maple's essence, nature's recompense.  
Oh, Maple Donut, crowned with sugared grace,  
Thy tender crumb, a pillow soft and light,  
A symphony of flavors I embrace,  
As morning blends with sweetness, pure delight.  
Thy glaze, a golden amber kissed by sun,  
Unfurls its cloak upon thy sugared shell,  
Each bite, a journey, pleasure freshly spun,  
Where taste and texture harmoniously dwell.  
Maple Donut, thy humble form so dear,  
In every bite, a moment worth the cheer.

01:30:59 Greg Dixon GC Host: So AI can be as corrupt as people.
