00:30:13 Chris Sturges: Hi everyone, I'm Chris Sturges. I'm an Experience Engineer with more than 30 years of creating everything from private events to large-scale festivals like the Vancouver Mural Festival. I help event planners, organizations, and businesses build experiences that turn audiences into communities and customers into advocates. If you're looking to create more engagement, stronger connections, and more people talking about what you do, I'd love to connect."

I help online coaches and consultants attract high-ticket clients consistently without getting overwhelmed by marketing or tech.

After leaving the traditional path and pursuing entrepreneurship, I spent years learning digital marketing, lead generation, and business systems. Like many entrepreneurs, I struggled with inconsistent leads and unclear processes until I discovered how to build predictable client acquisition systems.

Today, I help coaches, consultants, simplify and scale their businesses through:

GoHighLevel Setup & Management
Funnels & Lead Generation Systems
CRM & Pipeline Automation
Email, SMS & Workflow Automations
Membership & Course Platforms
AI-Powered Content Systems

My mission is simple: build the systems that generate leads, nurture prospects, and automate growth so you can focus on serving your clients.
