00:32:52 GC - Christine von Pander, I Have People For That!@: I need to make sure that I am accurately presenting myself when I'm not in the room!

00:33:23 GC Krystal Hille: Any tips on how to be even better known for my unique positioning in the book writing and publishing field.

00:34:54 Shehan -Shutterpoint Photobooths: Should I build my personal brand separately from My Business or make myself the face of it?

00:40:06 GC Krystal Hille: themselves

00:40:43 GC - Dr. Brad Coverdale: I'm data-focused and aligned with diagnostics, the general practitioner serving parent business owners, which makes me a different type of business coach since I tell them what to stop doing so they can earn more. Is that enough differentiation?

00:47:08 Krisha Young: I'm known for other things than what I'm representing now...my socials, website etc haven't caught up yet, yet I'm going hard with networki ng and find it's a little confusing.

00:49:22 GC - Christine von Pander, I Have People For That!@: What is the one tool that Anthony talked about that you will to implement tomorrow?

00:49:46 Anthony Taylor (SME Strategy): This is me again if you want to chat:
