00:39:49 Robbie Samuels - GC - (he/him) BookLaunchBrainstorm.com: Questions?

00:41:39 Susan Crossman: Hey Robbie — how do you recommend dealing with a guest who takes the conversation in an entirely different direction that has no bearing on the topic at hand? This has happened to me and I although managed to get things back on track their commentary was a total non sequitur and I was thrown for a loop.

00:43:06 Susan Crossman: I really don't want to be rude to the guest or abrupt!

00:44:39 Susan Crossman: I like that idea!
