01:01:27 Yvonne McCoy, MBA Be F.O.U.N.D. Framework: Yvonne McCoy, MBA, helps experienced service entrepreneurs stop trying to fix what isn't broken — and start getting found by the clients who are already looking for exactly what they offer. Through her Be F.O.U.N.D.™ framework, she helps them uncover their undervalued strengths, communicate their value with confidence, and take the right next steps toward consistent growth.

01:01:41 Yvonne McCoy, MBA Be F.O.U.N.D. Framework: If you're curious, copy the description above and paste it into the trained AI tool you use most often, followed by this prompt:

PROMPT

Based on what you know about me — my expertise, methodology, right-fit clients, and the kinds of events, podcasts, or collaborations I participate in — and based on the information above about Yvonne McCoy, answer these two questions honestly:

1. Where, if anywhere, do our work, audiences, or goals genuinely overlap?
2. Is the overlap strong enough that more actively supporting each other would genuinely benefit our audiences? Why or why not?

Keep each answer to 2–3 sentences. Be specific, not general. Do not force a fit. If the overlap is weak or there isn't a compelling reason to do more together, say so.
