00:47:23 GC-Jeff McQuilkin | JetstreamSONIC: I'm Jeff McQuilkin with Jetstream
SONIC.

I help small businesses drive more sales by helping them become top-of mind with their target market, improving brand recall by up to 96 percent by giving their brand a unique, distinctive sound. (Think the Netflix “tadum” or the five notes at the end of every McDonald’s commercial.)

Giving your brand a sound helps you become the FIRST COMPANY THEY THINK OF when it’s time to buy.

Composed the sonic branding for the Grand Connection, as well—as heard on the GC podcast and the Zoom waiting room. :)

Simply put: Better brand recall = more sales!

Would love to meet coaches, consultants, podcasters, service business owners, and any other business owners looking to amplify their brand. I also collaborate with digital marketers and branding agencies to help their clients.
