00:43:41 Krista Giannak: I strongly believe that almost all the people who check out a free memoir probably would never have purchased it.

00:44:25 Krista Giannak: I love free chapters, too.

00:45:34 Lil Barcaski Ghostwriter, Coach. Publisher: Getting paid to speak should be the goal of a memoir writer unless they are very famous. Selling more than 200 - 300 copies at random on book seller websites is the average,

00:46:05 Krista Giannak: Reacted to "Getting paid to speak should be the goal of a memoir writer unless they are very famous. Selling more than 200 - 300 copies at random on book seller websites is the average," with 👍

00:48:34 Krista Giannak: Oh I remember now, I was gonna ask about your experience with sharing free chapters with other people's audiences, like a giveaway. Also are people interested in serial nonfiction, i.e. getting a chapter a week in their inbox or on Substack?

00:52:08 Kimberley Day | The Book Launch Lab: I'm not on substack... but I understand this is a membership type model. I run my membership on Skool... I don't gatekeep any content... I give them immediate access and then host weekly calls for access to "me" as the coach that can help them implement and keep moving forward.
