00:10:43 Yvonne McCoy: *****

Yvonne McCoy, MBA

I host The One Small Change podcast, and I'm always interested in meeting people who host or guest on podcasts, speak at or promote events, or enjoy creating strategic partnerships.

If that sounds like you, I'd love to explore where our work might connect — podcast guesting, collaborations, affiliates, or something we haven't thought of yet.

00:18:20 Greg Dixon: My new book, **How To Publish Your Book Everywhere That Pays**, is now available on Amazon.

<https://www.amazon.ca/dp/B0HJ3WMPPW>

The Kindle version is free for Prime members.

I am working on a creative way to record and publish an audio version.

I'll release the readings serially on my podcast, then compile the recordings into a full audiobook. The podcasts are marketing, too.

I am available to help with your publishing and marketing adventures.

00:18:44 Vicki James: Solopreneurs build with confidence, in a strategy that aligns — to who you are, how you work, and why you started.

Most solopreneurs have the credentials, the grit, and even the AI — and still can't figure out why the effort isn't landing when they first launch. The missing piece is usually perspective and people — a roadmap and someone in the bus who's been there. That's what creates the shift from stuck to thriving. 🙌 I'm Vicki James — if this sounds like you or people you work with, I'd love to connect!

00:35:33 Jeff Veale The Business Guru: nice to meet you all have client call in 2 min

00:39:12 Niki Maul: Hi, I'm Niki and I am the owner of Parasol Designs. We are an online presence management agency - which is a fancy way to say, we do websites, social media, online events, etc. If it gets you seen online, it's what we do.

On the flipside, I work openly with people who have disabilities, neurodivergence, and mental health struggles to help them build the income and skills to build a better life for themselves.

I'm excited to be starting a podcast to interview business owners and movers & shakers with disabilities, neurodivergence, and mental health struggles, to get our stories out there. So, I'm looking for business owners with these characteristics, but I'm also looking for anyone who has a mission and just need a little bit of help or polish getting online.
