

00:24:20 GC-Jeff McQuilkin: Jeff McQuilkin with Jetstream SONIC.

I help small businesses drive more sales by helping them become top-of mind with their target market, improving brand recall by up to 96 percent by giving their brand a unique, distinctive sound. (Think the Netflix "Tadum" or the five sung notes at the end of a McDonald's commercial.) Be the one people remember when they are ready to buy!

Would love to meet coaches, consultants, podcasters, service business owners, and any other business owners looking to amplify their brand.
