00:27:46 Susan Jarema Grand Connection Events: @Brenda Sheldrake ... our logo is a labyrinth, a metaphor for life's journey: we all walk a winding path, but ultimately it brings us to greater awareness and connection with ourselves and with others. Our logo reflects this path of Grand Learning, Grand Giving, and Grand Growth, where the twists and turns of life and business become opportunities to expand self-awareness, deepen human connection, and create together. The two entrances meeting at the center symbolize collaboration and the truth that we are better together. And if you look closely, you'll also find the 3 Cs: Connect, Create, and Collaborate, woven into its design.

I'm a Business Strategist, International Speaker and CEO of ThinkRAPT.
